Double Weave Workshops with Jennifer Moore

To know more about Jennifer visit www.doubleweaver.com

January 6-8, 2012 from 9 a.m. to 4 p.m. at Linekona Art Center in Honolulu with the weaving room open for setting up your loom on January 5.

January 13-15, 2012 from 9 a.m. to 4 p.m. at Islands Yarns and Art Supplies in Kona.

Cost for each workshop is \$200 for Hui members with a 10% discount for students and teachers.

There will be an additional supply fee to be paid on first day of class, approx. \$20.00

The Kona workshop will cover basic doubleweave techniques for 4-shaft looms including weaving two independent layers of cloth, double-width cloth, tubular weaving, color-and-weave effects, pique, quilting and doubleweave pick-up, and will also cover some additional variations. All participants will use the same draft and will weave a sampler of all the techniques. If resources permit, they may also be able to try out additional techniques on an extra loom set up with a different draft.

The Honolulu workshop will involve a variety of different drafts for 4 and 8 shaft looms. Each person will select one draft and set up one loom, but participants will sample all the different options round-robin fashion. The drafts will include 8 harness twill pick-up, 8 harness block pick-up, 4 harness double-blocks, overshot-patterned doubleweave, 8 harness two double-blocks, 4 harness color block rotation, 2 block doubleweave windows, 8 harness 4 layer weave, 8 harness stitched cloth, 2 block doubleweave checkerboard, and double-width twill cloth.

Class notebooks will contain all the drafts for all the participants.

Sign up soon using the registration form below, as space is limited for both workshops.
