

Melissa Arnold

Nuno Felting + Dyeing Workshop

Nuno felting is the art of merging wool fibers into a fabric, usually silk.

Nuno felting produces a very lightweight fabric suitable for wearing in Hawaii's air conditioned offices + cool evenings.

We'll be making a scarf in this workshop

Please indicate which workshop date you prefer. If the first workshop is filled, then we will run a second workshop on the following weekend.

Both workshops will be held in the UH Fiber Lab.
